

How you can help at home:

Allow children to research different styles of newspaper article. Look at the difference between local and national newspapers. Think about the style of writing that is used in different papers. Look how articles are written on the web compared to how they are written in print form.

Art and DT Focus:

Creating marbling effects using paints.

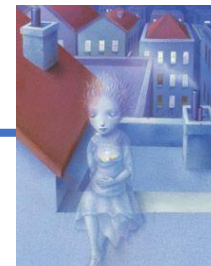

Using a range of materials in a piece of artwork to create a range of effects.

Science Focus:

Reflections.

- Begin to look at how a reflection is created. Understanding that light bounces back off reflective surfaces.

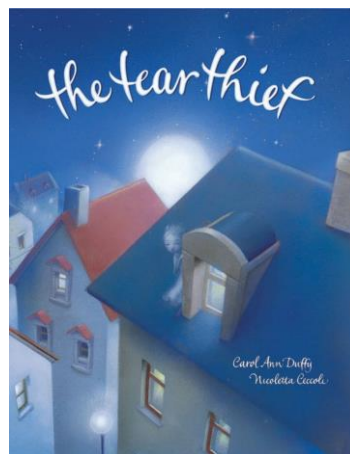

PHSE Focus:

Exploring a range of topics using the philosophy 4 children approach including:

- Is it ever right to steal?
- Should you stand by if someone is upset?

Year 5—Spring 1 Learning Adventure: The Tear Thief

English Focus:

Newspaper Article Writing.

Looking at the range of features that would be used in a newspaper article. There is a strong emphasis on using grammar to improve writing and using a good range of powerful descriptive vocabulary.

Narrative Poetry
