

Admission to a School other than the Normal Age of Entry (In-Year Admission)

This information and accompanying application form is intended for **Schools in Staffordshire only**. If you wish to apply for a school in another area please contact the school or Local Authority for advice.

Please read these notes carefully and retain these notes for your records

Where an application is being made to an **Academy, Foundation, Voluntary Aided, Trust School or a school** it is essential that you check whether or not you need to also complete a supplementary application form as some schools may require additional information in order to assess your application.

The application form should **NOT** be used to apply for school places for children with a Statement of Special Educational Need (SEN). You should contact your SEN Assessment Officer for further advice.

IMPORTANT: -

Please consider carefully the information below and ensure that you have taken any relevant action before completing the application form.

- Dissatisfaction. Discuss your concerns with the Headteacher, as it may not be in your child's best interests to change school.
- Non-School attendance. Sit down with your child and find out why she/he is not attending the school.
- Behaviour issues. Some parents/carers want to change schools because they think their child's behaviour will improve with a change of school. It is more important for everybody to work together in trying to address and resolve the difficulties that are causing the poor behaviour.
- Talk to the teachers who teach your child, to find out if she/he is worried about certain subjects.
- Unresolved issues. Talk to your child's teachers, Tutor or Head of Year to make sure they are aware of the situation.
- You may feel a change of school is necessary because your child is being bullied. All schools have anti-bullying policies, and, as such, if you think your child is being bullied you need to tell the school immediately. Moving school without confronting the problem may help in the short term but in the long run it may not help your child.
- Parents whose children are in Years 9, 10, 11 need to be aware that a new school may not be able to exactly match a child's existing curriculum commitments and a change of school during a school year can disrupt a child's education. Not all schools offer the same subjects at examination level.
- Make an appointment to speak to the Headteacher to discuss any concerns.
- To avoid exclusion talk to your child's teacher, Head of Year or Headteacher.
- Check if your child has a 'Pastoral Support Plan' or has been identified as having special educational needs (see below).
- Special Educational Needs. Talk to the teacher in charge of Special Needs (SENCO) at the school.
- Contact the school Education Welfare Officer for advice.
- Contact the Parent Partnership Service.
- Contact the School Choice Advisor.
- If you wish to transfer your child to the same age group in another local school (for reasons other than moving to an address outside the normal area), parents must first discuss the transfer with the Headteacher of the child's current school.
- If you do decide to make a formal application for transfer, please ensure that all the details on the application form are completed

Moving into an area during the year

The law enables parents of children seeking a school place to express a preference. The School Admissions team will be able to give you indicative information about the availability of school places in the area. Parents should note that admission authorities cannot guarantee a place for any child at their preferred school, even where they move into the schools catchment area. You can check for your catchment area school at: www.staffordshire.gov.uk/localview/

Allocation of Places

All Admission Authorities must use the same policies for allocating available places as for admission at the normal age of entry - see Information for Parents booklet for the admissions criteria or www.staffordshire.gov.uk/admissions/admissionarrangements

Making a Preference

This application form should only be used to apply for school places in Staffordshire and should be **sent directly to the preferred school**. This includes Academies, Foundation, Trust Schools, Catholic Schools or Church of England Aided Schools. If you wish to apply for a school place in another area please contact the school for details of how to apply. If you are in any doubt about which schools you can apply for using this form please contact the School Admissions and Transport Service. **Parents are advised to either visit the preferred school or to have an initial discussion with the headteacher regarding their reasons for choosing the school to ensure that the school can meet their child's needs.**

Applications for Siblings

Admission to a Community or Voluntary Controlled School, which is not the catchment area school, does not guarantee admission of brothers and/or sisters. Please be aware that if you are applying for more than one child to change school, it may not be possible for your preferred school to admit any or all of the children. In such circumstances any offer of a school place will be for the child named and would not give the other children any priority for admission as a sibling link.

Getting Your Child to School

When considering changing your child's school or if moving into the area you need to consider very carefully how your child will travel to school. Parents have a responsibility for getting their child to school. In order to qualify for transport assistance certain conditions have to be met, for example whether your child will be attending your catchment or nearest school. Further information regarding the entitlement to home to school transport can be found at: www.staffordshire.gov.uk/schooltransport

Free School Meals

If you are claiming free school meals for your child and your application to change school is successful, you will need to notify the free school meals service of your change in circumstances. Further information can be found at <http://www.staffordshire.gov.uk/freeschoolmeals> or by emailing freeschoolmeals@staffordshire.gov.uk telephone **01785 854990**.

How to Appeal

If it is not possible to agree to your request for a school place, you have the right to appeal to an Independent Appeals Panel. Information on the independent appeals process will be provided (if necessary) when you receive the outcome of your application.
